WXXI CLASSICAL MEMORIES

As we continue down FM 91.5's Memory Lane we find more great moments that happened in August

As we've mentioned in previous reflections, WXXI-FM 91.5 began as an eclectic mix of music programming and news in the early days, including *Jazz from the Cellar* and *Mostly Jazz*, hosted by the late Tom Hampson for more than 30 years. Hampson loved jazz from the time he was a teenager, and he kept that passion even after he chose a career in law, specializing in corporate law. But it was that passion for, and long time advocacy for the Rochester jazz community that endeared him to jazz lovers throughout the community and beyond. In August 1978 Tom hosted *A Conversation with Earl Hines* (pictured top left) an American jazz pianist and bandleader, and one of the most influential figures in the development of jazz piano.

August 1978 also marked FM 91.5's host Simon Pontin emceeding musicians at the Sterling Renaissance Festival in Sterling, NY. From mud pits, magicians and jousts, to axe throwing and strolling troubadours, Simon introduced many of the musicians and events for visitors to this vintage faire (pictured bottom left).

The summer fun continued on August 22, 2017 when WXXI Classical 91.5 hosted its first Flower City Beer Choir Event. This unique event, which took place at Three Heads Brewing brought together beer lovers, singers, and the Flower City Beer Choir Band to celebrate music, singing traditional drinking songs and Bach chorales with new, event-inspired lyrics.
