WXXI CLASSICAL MEMORIES

As we continue down FM 91.5's Memory Lane we find more great moments from our archives.

It was in October 1976 when American composer, conductor, educator and champion of American Music Howard Hanson visited WXXI – a great moment in Classical 91.5's history. We have also remembered many of the wild things FM 91.5 has done through the years, like Garbage Day in the Wedge and the April Fool's Day remote from Cobbs Hill Park that was not a remote at all, but a prank by morning host Simon Pontin that sent then WXXI President Bill Pearce up to Cobbs Hill to search for Simon and the broadcast truck.

It would be 40+ years later that WXXI Classical 91.5 would do something completely new and different to engage with music lovers, listeners and singers from around the Rochester region. On October 28, 2017 **WXXI Classical 91.5 hosted its first Bachtoberfest**, Octoberfest with a Bach twist! Hundreds of listeners and singers joined WXXI at Three Heads Brewing for an afternoon of Bach and great beer! There was a sing along with the brass choir in traditional Bach chorales re-worked with new words, classic German brass music by the Oktoberbones, and the Flower City Beer Choir Band for some old-fashioned beer songs. It was a great success and all who attended had fun – so much so that we did it again in October 2018.
